PROCESSING

Meat & Poultry Processing

HACCP-friendly products that meet
or surpass industry standards.

BDIExpress.com

FOOD PROCESSING AND PACKAGING

BDI has worked with Food Processing and Packaging facilities for more than 50 years. Our industry expertise, complemented and supported by a wide selection of products from leading manufacturers around the world, enables BDI customers to achieve extended operating life, reduced downtime and lower overall costs.

24-HOUR RUSH SERVICE

Whether provided by your local BDI branch location, or by BDI's Regional Distribution Center, we are available 24 hours a day to keep your operation running in emergency situations.

Bearings

- Corrosion Resistant
- Composite
- High Temperature
- Plated
- SmartLUBE
- Stainless Steel
- Zero Grease

Belting

- Cleated Belting
- Plastic Modular Belting
- PVC Belting
- Urethane Belting
- Wire Belting

Conveying Equipment

- Belt Conveyor
- Screw Conveyor
 - Plastic
 - Shaftless
 - Stainless Steel
- Bucket Elevators
- Overhead Conveyors
- Screening
- Vibratory

INDUSTRY FOCUS

Food safety legislation has changed the game in the Food Industry by shifting the responsibility on food companies from responding to contamination occurrences to preventing them altogether. BDI understands that food manufacturing companies must meet industry requirements while at the same time make every effort to control costs and operate more efficiently. Working in cooperation with our extensive supplier network, we offer products and solutions that will ensure you do both.

**FOOD
CONTAMINATION
PREVENTION**

**SANITATION &
WASHDOWN EFFICIENCY**
