Safety

Our core manufacturer partners are known worldwide, are innovative, and offer products that are designed and engineered to bring the highest level of protection to your workplace.

BDIExpress.com

BDI works with manufacturing companies around the world to provide a full offering of PPE and safety equipment. Hazards exist in every workplace. We have solutions for all aspects of Industrial Safety, Occupational Health and Workplace Hygiene. From PPE to Confined Space Entry, all of our products meet the ANSI Essential Requirements.

24-HOUR RUSH SERVICE

Whether provided by your local BDI branch location or by our Central Distribution Center, Rush Service is available 24 hours a day to keep your operation running in emergency situations.

BDI is committed to building a "Partnership In Prevention" with our customers. We have chosen a select group of manufacturers who offer additional value-added services to promote an informed and empowered workforce. It is our job to help identify areas requiring safety improvements and to recommend appropriate solutions.

We also conduct plant surveys to improve compliance, generate cost savings, and help our customers operate safely and more efficiently.

In partnership with our suppliers, we provide education, support, and PPE Usage Assessments in the following areas:

- Emergency Eye Wash
- Standardization & Consolidation of PPE
- Flammable Storage Assessment
